Our Invitation

The 1958 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the Iowa Royal of 1958.

The 35 herd bull prospects are up to the usual high standard of Iowa Royal Sales. 25 are serviceable aged and ready for service. 10 are coming prospects. There is much new breeding for the buyers of former years.

Their bloodlines are the most popular of the day and they are the kind that will breed deep bodies and natural thickness on their calves which is far cheaper than to feed it on.

The females represent the choicest bloodlines and most approved type always offered at the Iowa Royal. They are and will be great beef cows that will surely contribute their half to the inheritance of superior beef calves.

We would like to have you note the consignors. Study the pedigrees and footnotes in this illustrated catalog to confirm the rich breeding, outstanding records, and individual excellence of this offering. We feel that you can end your search for the best in Shorthorns here.

Spend a day at the Iowa Royal. See, inspect and talk good Shorthorns. Help generate a world of Shorthorn enthusiasm.

We welcome all breeders, ranchers and farmers from Iowa and many other states who have been attending the Iowa Royal in greater numbers each succeeding year.

Plan to attend. We would like to show our hospitality and give you every service we possibly can.

CLAYMORE PRIDE—Here is the best bull sired to date by the great sire, Imp. Westdrums Dandy, on all three Claymore farms with the exception of Claymore Rambler, grand champion bull of the Minnesota, South Dakota state fairs, and Clay County Fair, which we had the misfortune of losing. This bull is thick, deep, evenly fleshed, good headed, and right down on the ground like you like to see all good herd sires. The imported dam of this bull is one of the very few members of the noted Scotch Pauline family in this country. She is a granddaughter of the famous Bapton Upright, and a very good producing cow. Be sure to give this bull a second look.

K A ACCENT—The last bull Leveldale Cameo sired for us and, without a doubt, the best one. He has looked outstanding from the day he was dropped. Leveldale Cameo was out of the same cow as Aldie Mainliner, the sire of Mathers' Leveldale Basis. Accent's dam is by the 1947 American Royal Reserve Grand Champion, M F Supreme 5th, and from the famous Hubbell Clipper's Favorite family. She has a wonderful head with lots of breed character and is a very good milker. This bull is great headed, extremely smooth from shoulder clear through to rump. His overall balance attracts all who have seen him. We've used him on several heifers. He weighed 1,260 pounds on January 9, a gain of over 2.2 lbs. a day since birth.

His sire Calrossie Triumphant, is a full brother to the famous Calrossie Constellation who sired the \$50,000 Bapton Constructor. His granddam is by Calrossie Baronet who was also the sire of the dam of Louada Consort who sired the reserve champion female and the junior get of sire at the 1957 International. This should be one of the top bulls and an attraction in the sale. He is well enough bred to head any herd and would have given a good account of himself had he been shown.

WILL-A-DELL RAMSEY—This young bull is deep and wide throughout and very short legged, the kind of legs and bone you like. He just looks like quite a breeding bull prospect. His sire, Rockyford Silver Wedding, was the reserve junior champion at the 1954 Royal Winter Fair at Toronto. His dam is by the well known Sandoon Dividend and was a top 4-H show heifer as was his-grand-dam. Other sons of Rockyford Silver Wedding have sired some real top dark colored calves and so will this one. His half brothers have sold very well at the farm and in the 1957 Iowa Royal Sale. This bull could be the answer to your herd bull problem.

K A BURGUNDY—The first bull to be offered by our \$2,500 Scotsdale Kinross. We wanted to enter a calf by Kinross and we feel K A Burgundy is a perfect example of the calves by this double bred Welcome, Kirkton Baronet bull. Even at his young age he shows the ruggedness, great depth, smoothness, and stock bull character you are all looking for. A wonderful coat of just the right color of hair. His dam, a medium type cow from our reliable Clipper family, has been a consistent producer. Four of the six first prize bulls at the recent International were by four different sons of Calrossie Welcome. The first prize senior heifer calf at the International was out of Calrossie Flossy Thora, the dam of Scotsdale Kinross. We're extremely proud of this calf—he warrants your deepest consideration.

CLAYMORE MARIGOLD—A deep, thick, well fleshed, great quartered heifer that we hate to part with. She is sired by the good breeding bull, Leader's Renown, and out of a great producing Goldfinder's Champion cow. Note the Goldfinder breeding in her pedigree. This heifer was second in class at the Minnesota State Fair and first in class at the South Dakota State Fair. To make her doubly valuable, she was bred December 24th to Imp. Westdrums Dandy, one of the top breeding bulls in America and sire of many 1957 champions.
